

Dear Rainer

Thank you very much, all is excellent with cello.

As you have asked, let me share with words said by you of our teacher, Mr. [REDACTED] and Vilnius local string instruments repairman, Mr. [REDACTED].

The both said that they found cello in the excellent condition, and confirmed that it was a big opportunity and to ask You for repair of cello.

And it was a great job done!

Thank you very much !

Best regards

Anton
